

Many construction-focused CPA Firms attend national CPE events and the quality of the education is hit and miss.

The Construction Accounting Network will host the 4th Annual CAN Bootcamp, a construction CPE event in the fall of 2022 at the extraordinary Gaylord Opryland Resort & Convention Center in Nashville, TN! CAN Bootcamp provides meaningful and relevant CPE to the construction CPAs within CAN member firms.

There will be opportunities for networking and relationship building among many more members of CAN.

### WHO SHOULD ATTEND?

- **All levels** - Staff, Seniors, Managers, Senior Managers and Partners of CAN Member Firms that participate in your firm's construction niche will benefit from attending.
